Summary of qualifications

- 2002 – present
JSC “Rusthermosynthes”, General Director, *development and test of the alternative thermonuclear reactor*
Moscow State Linguistic University, Professor, Department of Information security
- 1996 – 2002
Private Petroleum Trading Company
Almaty, Kazakstan
- 1980 – 1996
Kazak State University, Physics Department, Department of Cosmic Rays Physics (1993 – 1996), Department of Thermophysics (1986 – 1993), Department of Hydrodynamics (1980 – 1986), *teaching activity*
Almaty, Kazakstan
Associate Professor.
- 1974 – 1980
Izhevsk Mechanics Institute, *teaching activity*
Izhevsk, Russia
Associate Professor.
- 1970 – 1974
Institute for Chemical Products
Kazan, Russia
Mathematical modeling of processes of special type
Leading Engineer/Researcher.

Education

- 1964 – December 1969
Tomsk State University
Tomsk, Russia
Diploma in Physics, Qualification in Ballistics.

Patents and publications

6 patents including 5 international patents, 2013.

75 publications in local and international journals including international patenting in 28 countries within the alternative thermonuclear reactor (scientific activity of JSC “Rusthermosynthes”).

Participant of 2013 International Sherwood Fusion Theory Conference held in April in Santa Fe, NM, USA.

Participant *APS April Meeting 2015*, Baltimore, USA.

Participant PIRT-2017 (International Conference on Physical Interpretation of Relativity Theory), Moscow, July, 2017, Russia.

A member of the community [Physics of the Cosmos, NASA](#).

Membership American Physical Society, <http://www.aps.org/memb-sec/profile/profile.cfm>
